CONSENT
PROTECTIVE ORDER

This case is before this Court for entry of a protective order pursuant to Rule 26(c) of the Federal Rules of Civil Procedure and Local Civil Rule 79.2. This action arises out of Plaintiffs' employment by Defendant M.A.C. Grading Co. and allegations related to payment of wages to the Plaintiffs. Plaintiffs have asserted claims pursuant to the Fair Labor Standards Act ("FLSA") and seek to have these claims certified as a collective action. Defendants deny the allegations made by the Plaintiffs in this action and deny that Plaintiffs' claims should be certified as a collective action.

Because of the nature of the factual issues involved in this case, the parties anticipate that the discovery in this case may include production and disclosures of information by the parties and by third parties that may be confidential or proprietary, including, without limitation, financial information, personnel information, trade secrets, and employment records. Accordingly, this Court believes that entry of this Consent Protective Order is in the interest of

all parties and in the interest of the fair and efficient administration of justice. Therefore, until further order of this Court, it is hereby ordered that the parties follow the procedures set forth below with respect to information, documents, testimony, or tangible things produced or otherwise disclosed in this litigation:

1. With the exception of the categories of document(s) described in ¶3.a. below, the following definitions shall apply in this Consent Protective Order:

a. “CONFIDENTIAL Information” shall mean any information, documents, testimony, or tangible things (“Information”) furnished in the course of this litigation regarded by a party as confidential and/or private information, including proprietary data, trade secrets, other valuable or commercially sensitive information, confidential and private information concerning parties, witnesses, and persons not party to this action, and/or commercially sensitive or otherwise confidential information designated as “CONFIDENTIAL” pursuant to the procedures set forth below. The term “documents” shall be broadly construed to include information that is recorded in any form, including but not limited to hard copy, electronically stored information, and audio and video recordings. “Documents” shall not, however, include attorney work product.

b. “ATTORNEYS’ EYES ONLY Information” shall mean CONFIDENTIAL Information that a party, in good faith, believes is so sensitive that it should not be made available to other parties or their employees and is designated “ATTORNEYS’ EYES ONLY” pursuant to the procedures set forth below. CONFIDENTIAL Information that is designated ATTORNEYS’ EYES ONLY Information shall also be deemed designated CONFIDENTIAL. The Plaintiffs agree that the following specific items of Information are ATTORNEY EYES ONLY for purposes of this Consent Protective Order:

- a. Tax returns and supporting documents;
- b. Contracts and related documents between M.A.C. Grading Co. and entities or individuals as to which/whom M.A.C. Grading Co. provides any services.

2. Other than as stipulated to in ¶1 above, "CONFIDENTIAL" and/or "ATTORNEYS' EYES ONLY" designations shall be made as follows:

- a. Information shall be designated CONFIDENTIAL and/or ATTORNEYS' EYES ONLY within the meaning of this Protective Order in the following ways:
 - i. In the case of documents or tangible things, including the information contained therein, that are produced by any party, designation shall be made by placing on each page of the document or each tangible thing the legend or stamp CONFIDENTIAL and/or ATTORNEYS' EYES ONLY.
 - ii. In the case of responses to interrogatories and requests for admission, including the information contained therein, designation shall be made by placing on the pages containing the CONFIDENTIAL Information the legend CONFIDENTIAL and/or ATTORNEYS' EYES ONLY.
 - iii. In the case of deposition testimony, counsel may designate, on the record, those portions of a deposition that counsel believes contain CONFIDENTIAL Information or ATTORNEYS' EYES ONLY Information. If designation of CONFIDENTIAL Information is made, those portions of said depositions involving such CONFIDENTIAL Information will be taken with no one present except those persons who are authorized to have access to such CONFIDENTIAL Information in accordance with this Protective Order. If designation of ATTORNEYS' EYES ONLY Information is made, those portions of said depositions involving such ATTORNEYS' EYES ONLY Information will be taken with no one

present except those persons who are authorized to have access to such ATTORNEYS' EYES ONLY Information. A witness, whose deposition is being taken, may see any document identified as CONFIDENTIAL or ATTORNEYS' EYES ONLY if the witness is within the category of persons entitled to see this type of information, pursuant to the provisions described below in subsections 3b. and 3.c. Any party shall have thirty days after the receipt of the deposition transcript to inform the other parties to the action of the portions of the transcript (by specific page and line reference) to be designated as CONFIDENTIAL or ATTORNEYS' EYES ONLY. Unless otherwise agreed by counsel, the right to make such designation shall be waived unless made within the thirty-day period. Prior to such designation or the expiration of the thirty-day period, the entire deposition transcript shall be deemed CONFIDENTIAL Information.

b. The parties agree to designate Information as CONFIDENTIAL or ATTORNEYS' EYES ONLY on a good-faith basis and not for purposes of harassing the other parties or for purposes of unnecessarily restricting the other parties' access to information concerning the lawsuit.

c. Except as permitted by further order of the court, or by subsequent written agreement of the parties, such designated Information shall be received by counsel of record upon the terms and conditions of this Protective Order.

3. a. The restrictions set forth in this Order shall not apply to:

- (1) Information that was, is or becomes public knowledge through its authorized release by a person or entity who rightfully obtained and possesses such information during the normal course of business, and not in violation of this Order;
- (2) Information obtained by any party from a third party via subpoena, deposition, or other formal or informal discovery.

If CONFIDENTIAL OR ATTORNEYS' EYES ONLY information becomes a matter of public record in any other manner, the owner of that information shall be able to seek protection of that information in accordance with paragraphs 7 and 8 of this Order, even if it did not produce that information in discovery.

b. ATTORNEYS' EYES ONLY Information:

(1) Disclosure of Information designated as ATTORNEYS' EYES ONLY, including summaries thereof, shall be limited to the Court; court reporters and videographers of sworn proceedings; the parties' counsel of record and the employees of such counsel who are assisting with this matter; Defendant M.A.C. Grading Co.'s officers, directors, and managers; consultants or experts retained by the parties to consult or testify in the case, but only to the extent Information is necessary for the consultation work or to prepare to testify and only after the requirements of subsection 3.b.(2), below, are satisfied; and to the following persons, who shall be required first to execute a written declaration, in the form attached hereto as Exhibit A: services retained by counsel to photocopy or image documents or to prepare charts, summaries, timelines, illustrations or other demonstrative materials to be used in the litigation. The originals of all signed declarations shall be maintained by the party who procures the signature throughout the duration of this litigation, including all appeals.

(2) Before disclosing Information designated as ATTORNEYS' EYES ONLY to any expert or consultant pursuant to subsection 3.b.(1) above, the following procedures shall be employed:

(a) Counsel shall: (i) notify, in writing by either e-mail and overnight delivery or fax, counsel for the party designating the Information ATTORNEYS' EYES ONLY of their desire to disclose such ATTORNEYS' EYES ONLY Information; (ii)

obtain a written declaration, in the form attached hereto as Exhibit B, from each such expert or consultant; and (iii) provide to counsel for the designating party a copy of that declaration.

(b) If no objection to such disclosure is made by the designating party within five business days of receipt of such notification and declaration, counsel shall be free to make such disclosure to the designated expert or consultant, who shall be bound by the signed declaration.

(c) If the designating party objects to such disclosure, counsel for the party or parties opposing the disclosure shall bring before the Court by motion for protective order under Rule 26(c), Fed.R.Civ.P., the question of whether the particular ATTORNEYS' EYES ONLY Information can be disclosed to the required expert or consultant within ten (10) calendar days of the date of the party's objection(s) to such disclosure; In the event that the party or parties opposing disclosure fails to meet this time deadline, the presumptive prohibition against disclosure shall terminate automatically without prejudice to the designating party's right to move for relief under Rule 26(c), Fed.R.Civ.P., with respect to that same Information; however, absent the application of this time-related waiver, until and unless the Court orders that the ATTORNEYS' EYES ONLY Information may be disclosed to the requested expert or consultant, the Information shall not be so disclosed.

(3) All Information that is designated ATTORNEYS' EYES ONLY under this Protective Order shall be kept confidential and shall not be given, shown, made available, discussed or otherwise communicated in any manner, either directly or indirectly, to any person not authorized to receive the Information under the terms of this Protective Order. ATTORNEYS' EYES ONLY Information received by any authorized person shall be used only

for purposes of this litigation and for no other purpose, including but not limited to labor organizing.

(4) In no case shall Information designated ATTORNEYS' EYES ONLY be disclosed to any unauthorized person or entity. Robert J. Willis expressly recognizes, understands, and agrees that Information that may be disclosed pursuant to the terms of this Consent Protective Order to the Law Office of Robert J. Willis, P.A. and/or Robert J. Willis, is and shall be disclosed to him solely in his capacity as co-counsel for the named plaintiffs and any putative members of the FLSA collective action that they may be certified to represent in this action. Likewise, Robert J. Willis recognizes, understands, and agrees that any such Information disclosed to him shall not be used by him for any purpose other than the prosecution of the claims of the named plaintiffs and any putative members of the FLSA collective action that they may be certified to represent in this action, nor will he knowingly permit the use of any such Information for any other purpose or by any other person or entity.

c. CONFIDENTIAL information:

(1) Disclosure of Information designated as CONFIDENTIAL, including summaries thereof, shall be limited to the Court; the three named plaintiffs, any person who has filed a Consent to Sue in this action pursuant to 29 U.S.C. § 216(b), court reporters and videographers of sworn proceedings; the parties' counsel of record and the employees and contracted agents of such counsel who are assisting with this matter; Defendant M.A.C. Grading Co.'s officers, directors, and managers; consultants or experts retained by the parties to consult or testify in the case, but only to the extent Information is necessary for the consultation work or to prepare to testify and only after the requirements of subsection 3.c.(2), below, are satisfied; and to the following persons, who shall be required first to execute a written declaration, in the

form attached hereto as Exhibit A: services retained by counsel to photocopy or image documents or to prepare charts, summaries, timelines, illustrations or other demonstrative materials to be used in the litigation. The originals of all signed declarations shall be maintained by the party who procures the signature throughout the duration of this litigation, including all appeals.

(2) Before disclosing Information designated as CONFIDENTIAL to any expert or consultant pursuant to subsection 3.c.(1) above, the following procedures shall be employed:

(a) Counsel shall: (i) notify, in writing by either e-mail and overnight delivery or fax, counsel for the party designating the Information CONFIDENTIAL of their desire to disclose such CONFIDENTIAL Information; (ii) obtain a written declaration, in the form attached hereto as Exhibit B, from each such expert or consultant; and (iii) provide to counsel for the designating party a copy of that declaration.

(b) If no objection to such disclosure is made by the designating party within five business days of receipt of such notification and declaration, counsel shall be free to make such disclosure to the designated expert or consultant, who shall be bound by the signed declaration.

(c) If the designating party objects to such disclosure, counsel for the party or parties opposing the disclosure shall bring before the Court by motion for protective order under Rule 26(c), Fed.R.Civ.P., the question of whether the particular CONFIDENTIAL Information can be disclosed to the required expert or consultant within ten (10) calendar days of the date of the party's objection(s) to such disclosure. In the event that the party or parties opposing disclosure fails to meet this time deadline, the presumptive prohibition against disclosure shall

terminate automatically without prejudice to the designating party's right to move for relief under Rule 26(c), Fed.R.Civ.P., with respect to that same Information; however, absent the application of this time-related waiver, until and unless the Court orders that the CONFIDENTIAL Information may be disclosed to the requested expert or consultant, the Information shall not be so disclosed.

(3) All Information that is designated CONFIDENTIAL under this Protective Order shall be kept confidential and shall not be given, shown, made available, discussed or otherwise communicated in any manner, either directly or indirectly, to any person not authorized to receive the Information under the terms of this Protective Order. CONFIDENTIAL Information received by any authorized person shall be used only for purposes of this litigation and for no other purpose, including but not limited to labor organizing.

(4) In no case shall Information designated CONFIDENTIAL be disclosed to any unauthorized person or entity, including but not limited to those which compete directly or indirectly with Defendant or any labor organization, including its representatives and agents, that represents or is engaged in organizing Defendant's employees. Robert J. Willis expressly recognizes, understands, and agrees that Information that may be disclosed pursuant to the terms of this Consent Protective Order to the Law Office of Robert J. Willis, P.A. by and through its owner and sole co-counsel for the named plaintiffs in this action, and/or Robert J. Willis, is and shall be disclosed to him solely in his capacity as co-counsel for the named plaintiffs and any opt-in members of any FLSA collective action that they may be certified to represent in this action. Likewise, Robert J. Willis recognizes, understands, and agrees that any such Information disclosed to him shall not be used by him for any purpose other than the prosecution of the claims of the named plaintiffs and any opt-in members of any FLSA collective action that they

may be certified to represent in this action, nor will he knowingly permit the use of any such Information for any other purpose or by any other person or entity.

4. If, through inadvertence, a party produces any Confidential Information without designating it as CONFIDENTIAL or ATTORNEYS' EYES ONLY, the party may, as soon as reasonably practical, inform the other parties of the intended CONFIDENTIAL or ATTORNEYS' EYES ONLY designation, and all parties shall treat such Information as CONFIDENTIAL Information or ATTORNEYS' EYES ONLY Information under this Protective Order. To the extent that any party already has disclosed this Information, that party promptly shall notify the designating party as to the specific recipients of such Information and shall take all reasonable steps to remove such Information from said recipients unless they otherwise are entitled to disclosure under this Order.

5. If any Information designated CONFIDENTIAL or ATTORNEYS' EYES ONLY is disclosed to any person other than in the manner authorized by this Order, the person responsible for the disclosure must immediately bring all pertinent facts relating to such disclosure to the attention of counsel for the designating party and, without prejudice to any other rights and remedies of the parties, make every effort to prevent further disclosure by it or by the person who was the recipient of such Information.

6. No person or party shall directly or indirectly utilize or disclose any CONFIDENTIAL Information or ATTORNEYS' EYES ONLY Information for any purpose other than the prosecution or defense of this action, including any appeals and retrials thereof, and such utilization or disclosure must be in compliance with this Order.

7. In the event that a filing party seeks to file material, a document or information, (including, but not limited to, pleadings, briefs, memoranda, depositions, and exhibits)

containing or consisting of material, information or a document that has been designated CONFIDENTIAL or ATTORNEYS' EYES ONLY by a party or entity other than the party seeking to file the information, material, or document that document, information or material shall be filed under seal with the Court pursuant to the following procedure: The party desiring to file any such information or material shall file a motion seeking leave in accordance with Section V.G of the Electronic Case Filing Administrative Policies and Procedures Manual for the U.S. District Court for the Eastern District of North Carolina (the "Policy Manual"). Unless otherwise permitted by Section V.G of the Policy Manual or order of the court, all proposed sealed documents must be accompanied by a motion to seal. The motion to seal shall be a public document and noted with a docket entry that gives the public notice of the request to seal. The docket entry for the proposed sealed document shall identify it as a "proposed" sealed document and describe the type of document it is (e.g., affidavit, record) and the substantive motion or other specific proceedings in the case to which it relates (e.g., in support of defendant's motion to compel at D.E. ____). The proposed sealed document is deemed to be provisionally sealed until the court rules on the motion to seal.

In lieu of filing a motion to seal, the filing party is required to file a notice of filing pursuant to Section V.G(1)(e) the Policy Manual. The notice of filing should be docketed after the filing of the provisionally sealed material and linked back to the entry or entries being filed under seal. Within 7 days after service of such notice, the party or entity desiring that the material be maintained under seal must file a motion to seal, supporting memorandum and proposed order in accordance with Section V.G.1 of the Policy Manual. Documents submitted under seal in accordance with Section V.G(1)(e) of the Policy Manual will remain under seal pending the court's ruling on the motion to seal. If no motion to seal is filed, the material may be

unsealed and made public by the clerk's office without further notice or order of the court. The provisional filing of the materials under seal pursuant to Subsection V.G.1.(e)(i) of the CM/ECF Policy Manual for this District Court shall not be binding on the Court.

The Court will grant the Motion to Seal only after providing adequate notice to the public and opportunity for interested parties to object pursuant to Section V.G.1.(b) of the Policy Manual, after carefully weighing the interests advanced by the movant and those interests favoring public access to judicial documents and records, and upon finding that the interests advanced by the movant override any common law or constitutional right of public access which may attach to the information. Documents submitted under seal in accordance with this paragraph will remain under seal pending the Court's ruling. If the party desiring that the information be maintained under seal does not timely file a Motion to Seal as required by Subsection V.G.1.(e)(ii) of the Policy Manual, then the materials will be deemed unsealed, without need for order of the Court.

8. The parties and their attorneys shall inform all witnesses, consultants, employees, agents, court reporters, and anyone else who has or had access to any material designated CONFIDENTIAL Information or ATTORNEYS' EYES ONLY Information of the substance of this Order.

9. Acceptance or receipt by any party of any Information designated as CONFIDENTIAL or ATTORNEYS' EYES ONLY, or with no designation, shall not constitute a concession that the Information is properly so designated or not designated. If any party disagrees with the designation of any such Information as CONFIDENTIAL or ATTORNEYS' EYES ONLY, then the party first shall try to resolve such dispute on an informal basis through consultation with counsel. If agreement cannot be reached by counsel, then the party desiring

the designation to continue may present such dispute to the Court by motion under Rule 26(c), Fed.R.Civ.P., within ten (10) calendar days of the date of any party's disagreement with any such designation. In the event that the party or parties desiring to continue such designation fails to meet this time deadline, the presumptive prohibition against disclosure shall terminate automatically without prejudice to the designating party's right to move for relief under Rule 26(c), Fed.R.Civ.P., with respect to that same Information. In the event the party or parties desiring to continue such designation meets this time deadline, all such designations shall be respected pursuant to the terms of this Order until the Court rules on the motion. In the resolution of such matter, the burden of establishing confidentiality shall be on the party who made the designation of confidentiality. Notwithstanding the designation or non-designation of any Information as CONFIDENTIAL or ATTORNEYS' EYES ONLY, the parties reserve their right to seek relief regarding material that they believe was illegally obtained, including, but not limited to, the return of the material and/or damages for misappropriation or unauthorized use.

10. This Order shall be without prejudice to the right of any party to oppose production of any Information on grounds other than confidentiality.

11. This Order shall not prevent any party from applying to the Court for relief from it, from applying to the Court for further or additional protective orders, or from agreeing with the other parties to modify or vacate this Order, subject to the approval of the Court.

12. Within thirty days of the conclusion of this action, including any appeals, all Information designated as CONFIDENTIAL or ATTORNEYS' EYES ONLY by a party pursuant to this Order, and all copies thereof, shall be destroyed by all other parties, except that counsel for each party is entitled to keep copies of pleadings and correspondence and any attachments or exhibits thereto, including CONFIDENTIAL Information and/or ATTORNEYS'

EYES ONLY Information, used in this litigation in a secure storage area subject to the terms of this Consent Order. Within twenty-four hours of destruction, a party shall confirm such destruction in writing to the designating party. The provisions of this Order insofar as they restrict the disclosure, communication of, and use of CONFIDENTIAL Information and ATTORNEYS' EYES ONLY Information produced hereunder shall continue to be binding after the conclusion of this action.

13. Nothing in this Order shall prevent or limit a party who has designated any Information as CONFIDENTIAL or ATTORNEYS EYES ONLY from, in writing and without Court Order, releasing such Information.

14. Any party to this action may file a motion requesting that the Court sanction or hold in contempt of Court anyone who violates the terms of this Order.
